

# Solar Windows Limited

## Case Study Basildon District Council

*“Solar Windows Limited is small enough to care yet large enough to survive was the message given to Basildon District Council representatives during their initial visit to our factory in Bedwas, South Wales.”*

Before awarding the contract Basildon District Council investigated different window systems and manufacturers and decided that Solar Windows using REHAU profile could provide a very high specification product while still offering “Best Value”.

## Solar Windows Limited - Commitment to Quality

***“Throughout the project our contracts manager, Mr J Lewis, worked closely with Client Technical to ensure that disturbance to properties and tenants was kept to a minimum. The clerk of the works for Basildon District Council was Mr J Ford and the close co-operation between customer and contractor ensured that the project was completed to the satisfaction of both parties within the agreed time-scale.”***

### REHAU S706 Window and Door System

- ✂ Ideal replacement for traditional British timber casements.
- ✂ 70mm depth allows replacement of 3” timber frames without a lot of making good.
- ✂ 50° bevels offer slim and attractive sight-lines.
- ✂ Specially designed fittings groove accommodates latest security hardware.
- ✂ All fittings can be fastened into reinforcement if required.
- ✂ Fully certified BBA, BSI and PAS011.
