

Solar Windows Limited

Case Study Somerset Care Group Limited

“One of the aims of the National Health Service Framework for older people is to improve the environment in which this group is cared for.”

By replacing all the windows and fascia boards at their Southlawns Nursing home at Street, Somerset Care Group are fulfilling their commitment to their elderly residents. Somerset Care Group operates 26 private sector care homes for the elderly throughout Somerset and on the Isle of Wight.

Solar Windows Limited

Case Study Somerset Care Group Limited

Mr Terry Harris of the Somerset Care Group says
“We chose windows in REHAU profile for the project because we wanted quality, reliability and guaranteed performance and we chose Solar Windows because of their skills and experience with this type of job.”

“Two key aspects of Solar Windows success with this project was the care taken on site by the fitting teams and the fact that the windows were manufactured and installed to meet the specific needs of the elderly residents.”

- Easy to use handles
- In built trickle ventilation
- Stay restrictors for both enhanced security and safety

REHAU S706 Window & Door System

- 70mm depth allows replacement of 3" timber frames without a lot of making good
- 50° bevels offer slim attractive sight-lines
